figured in a crash in the Frankford  
section of Philadelphia last eve-  
ning. The car belonged to Dominic  
Casimiri, 213 New Brook street,  
and it was stolen between seven  
and 9.15 from Radcliffe street, in  
the vicinity of Mulberry street. It  
is a 1939 Ford coach and valued  
at \$400. The keys were left in the  
car here in Bristol.The car figured in a crash when a  
parked car was hit. According to  
Philadelphia police, four teen-age  
boys fled after the crash, and min-  
utes before, the same boys are be-  
lieved to have snatched the purse of  
a woman after she alighted from a  
trolley.Victim of the purse theft was Mrs.  
Ada Bell, 40, of 1301 Fanshawe  
street, Frankford, who had alighted  
from a Route 59 trolley at Unruh  
street at 11 p. m., and was walking  
on Frontenac street toward her  
home. She said her purse was  
snatched by a boy who then ran  
to a car parked nearby.Mrs. Bell told Detective Harvey  
Brown, of Paul and Ruan streets  
station, that the pocketbook con-  
tained a wallet with \$10, a cigaret  
case and a gold compact.Shortly thereafter, several blocks  
away, at Algon avenue and Magee  
street, a car containing four boys  
collided with an auto driven by Ed-  
win C. Siegner, of Disston street,  
near Oxford avenue, then careened  
into Dr. Harris S. Gerber's car,  
parked in front of his home at the  
corner. The boys, about 15 to 17  
years old, and all wearing white  
shirts, jumped out of the car and  
fled.LOCAL WEATHER

## GLEANED BY SCRIBES

Speaking on the raising of African  
violets, Mrs. Clara Ley ad-  
dressed the Lingochocken Garden  
Club, which met last week at the  
home of Mrs. Walter Robson, Wy-  
combe.The African violet, Mrs. Ley dis-  
cussed, is not really a violet, but  
actually a member of the gesneria  
family, to which belong the gloxin-  
ia and cyclamen. Less familiarly  
known as the Saintpaulia, she said  
it takes its botanical name from  
Baron Walter von Saint Paul, who  
discovered it about 50 years ago.  
Owning a large rubber plantation  
in E. Africa, the baron, Mrs. Ley  
said, found the plant beneath the  
trees and sent seed to his father in  
England.From these plants were raised  
by Dr. Herman Wendland, who en-  
tered them in Ghent at the National  
Horticultural exhibit. Taking  
top honors and creating a sensa-  
tion, this led to their present day  
popularity. The speaker also ex-  
plained the three methods to in-  
crease the plants of the African  
violet—from hand-pollinated seed,  
by rooting a leaf in soil or water,  
or by dividing larger plants.Displaying what they considered  
the best from the field, garden and  
home, members and friends of Tyro  
Hall Grange held their annual fall  
products show in the Grange hall,  
Buckingham, Thursday evening.Edward P. Ludeke, 27, of Yardley,  
the father of two children, is re-  
covering in Orthopaedic Hospital,  
Trenton, N. J., following an attack  
of infantile paralysis. Mr. Ludeke  
is employed in a garage in Trenton.  
Mr. Ludeke's illness is the sec-  
ond case of "polio" reported in  
Yardley in recent weeks. Mrs. Eliza-  
beth Tallman Hoffman, is recover-  
ing at her home after having under-  
gone hospital treatment.Sudden Death Occurs  
For Herbert E. BennettIll but a short time, Herbert E.  
Bennett, of 342 Washington street,  
died early Saturday evening. He  
had been a resident of this borough  
for 30 years.Husband of Catharine Bennett, he  
also survived by two sisters, Mrs.  
William B. Frank and Mrs. Alfred  
V. Agrella, of New York, N. Y.The Rev. Charles Weller, pastor  
of Bristol Methodist Church, will  
officiate at the service tomorrow  
at two o'clock at the Morden funeral  
chapel, 133 Oster street. Interment  
will be in Bristol cemetery. Friends  
are invited to call this evening.

## A SUMMARY OF THE NEWS

President Truman will dedicate  
today the cornerstone of the new  
United Nations headquarters build-  
ing at the East River site in the  
principal feature of a world-wide  
celebration of the fourth anniver-  
sary of the world organization. The  
President is expected to make a  
major foreign policy address before  
the first outdoor session held by the  
General Assembly. He will start  
speaking at 12:30 p. m. Mr. Truman  
will be under heavy police guard  
while in New York and will drive  
through Mid-Manhattan.The Moscow press pledged contin-  
uing Soviet support to the United  
Nations, seemingly answering re-  
ports that Russia might withdraw  
in protest against Yugoslavia's elec-  
tion to the Security Council.  
During discussions by a special  
commission that tried vainly to set-  
tle the Balkan dispute the Yugoslav  
delegate to the United Nations told  
Assembly President Romulko his  
country "did not exclude the possi-  
bility" of a separate agreement with  
Greece, but could not say when Bel-  
grade might act.Foreign Minister Clementis, it  
was reported, will be interrogated  
on charges of "deviationism" when  
he returns to Czechoslovakia from

## Burned to Death

FIREMEN of Albany, N. Y., called to  
put out a blaze in an auto found the  
charred body of Richard Cohn, 8  
(above), in the rumble seat. He was  
reported to have "run away" after  
being given a spanking. Police be-  
lieve Richard hid in the car and  
accidentally set fire to upholstery  
with matches while trying to get  
out. (International Soundphoto)NUMEROUS PROPERTIES

ferson avenue, to Nazareth Hos-  
pital, Phila. The squad also ad-  
ministered oxygen to David Barra-  
clough, of West Bristol.

## BRISTOL TAX COLLECTOR

The Borough Tax Collector takes in annually about a third  
of a million dollars in taxes for the Bristol Borough Government,  
for the School District, and for the County.Keeping these tax payments properly recorded, and keeping  
them properly accounted for, is a job for a man who is trained,  
honest, careful and experienced.So important is the work that bonds totalling \$70,000 are  
placed upon the official. There is one bond for \$10,000 for the  
Borough's taxes, another of \$30,000 for the school taxes, and a  
third bond of \$30,000 for the County taxes.The greater part of the payments come in small amounts,  
each divided into several types of tax. Each must be properly  
entered in the tax collector's books, so that the taxpayer himself  
is credited for the exact amount paid in each of the several taxes,  
and so that the various units of government all know where they  
stand at any given moment.Receipts which are exactly correct must be given in return  
for the taxes, so that the property owner's real estate title not  
be clouded by failure to show taxes were paid for a period when  
in fact the taxes were turned in.

This is no job for inexperience.

Finding someone honest enough, and painstaking enough,  
as well as having the necessary qualifications and experience to  
do justice to this work, is always difficult for any community.Two years ago, when a vacancy developed in the tax office,  
Bristol Borough found such a man. He is William H. H. Fine,  
who had been educated in financial matters by attending several  
business schools, and who moreover had had the benefit of many  
years employment in a local bank, where he had risen to Assist-  
ant Cashier.Mr. Fine had the further advantage of broad experience in  
Borough affairs, since he had been in Borough Council for ten  
years, representing the First Ward.Since he has been in office Mr. Fine has collected two-thirds  
of a million dollars in taxes, every penny of which has been prop-  
erly accounted for. There has never been the least question  
whether the tax money was going where it ought to be going.He has given the work his close personal attention, and has  
reorganized the office in the interests of the highest efficiency.Mr. Fine's renomination for the position of Borough Tax  
Collector, as candidate of the Republican Party, was a foregone  
conclusion.No citizen of Bristol who thinks the matter over is apt to  
decide that it would be a good idea to get rid of Mr. Fine as Tax  
Collector — to vote him out of office next November 8, and put  
in a new, untrained and untried tax collector.Mr. Fine unquestionably deserves the wholehearted support  
of all Bristol's voters in running for a new term.The way to cast your vote for him is to vote Straight Republi-  
can.Be sure to vote on November 8. When you get your ballot,  
look for the word Republican in heavy black type, and put a  
cross after it, thus:

ceremony, uniting Miss Carmelinda  
T. Carleo, 611 Cedar street, and Mr.  
Paul Caucci, son of Mr. and Mrs.  
Sabatina Caucci, 323 Grand avenue,  
was performed by the Rev. Peter  
Pinci. The bride, daughter of Mr.  
and Mrs. Louis Carleo, was escorted  
to the altar by her father.One of the bridesmaids, Miss Do-  
lores Framo, Philadelphia, was at-  
tired in American beauty tone;  
Miss Grace Angellini, 355 Pond  
street, in gold; and Miss Florence  
Carleo, 611 Cedar street, sister of  
the bride, in forest green. Each  
carried a bouquet of yellow pom-  
pom chrysanthemums. Their gowns  
were of velvet and floor length, and  
with these were worn long, detach-  
able sleeves. On the velvet hat,  
matching the costume of each, ap-  
peared a large bow and a plume.  
Slippers were of gold tone. Little  
Rita Carleo, Hayes street, niece of  
Mr. Caucci, wore aqua velvet, and  
in a basket which she carried were  
white and yellow button 'mums.

## Sailor Killed; 30 Hurt in Bus-Trailer Collision

PAOLI — An 18-year-old sailor was killed, and 30 other persons hurt,  
in a pre-dawn collision of a Greyhound bus and a truck-trailer today.  
The victim is Stephen H. Chapley, Jr., who was returning to the  
cruiser "Roanoke" at Phila. Naval Base after visiting his home at  
Unlontown.Police said the trailer, loaded with 39,999 pounds of sheet metal,  
smashed the right, front side of the bus, pinning several injured passen-  
gers in their seats.The accident occurred on the Lincoln Highway which cuts through  
Paoli, some 30 miles from Philadelphia.Some of the injured were rushed to hospitals in Bryn Mawr and  
West Chester.The Bryn Mawr hospital reported it had received four of the injured.  
Chester County Hospital in West Chester said it had picked up six, and  
Memorial Hospital in West Chester reported it had dispatched an ambu-  
lance to pick up five "or more" injured.Police said that a hurry call had been sent out for cutting torches  
to free at least one passenger trapped in the bus.

## Polio Outbreak Closes Schools

Conshohocken, Pa. — Two grade schools — both public and parochial —  
were shut down in Conshohocken today following an outbreak of infantile  
paralysis from which two children died over the week-end. Donald  
Fox, Jr., seven, a second grade pupil of the public school, was stricken  
Thursday, and died in Montgomery Hospital Saturday night from polio,  
according to Assistant Health Officer Charles White. The second victim  
was Marie Elizabeth Guinan, 11, of Barren Hill, a parochial school fifth  
grader, who was stricken with the disease Saturday and died yesterday.

### AFTERMATH OF DONORA

It was enlightening and, in some ways, frightening report that the U. S. Public Health Service issued on the Donora, Pa., smog disaster. Enlightening because for the first time the whole problem was researched thoroughly; frightening because a year's study has convinced experts that the unhappy combination of weather and industrial fumes that caused the tragedy a year ago could cause it again elsewhere.

The conditions that killed 20 people and sickened 6,000 persons in a five-day period beginning October 27, 1948, could be duplicated in Philadelphia or Wheeling, W. Va., as noted in the report, or possibly in a hundred other cities.

To duplicate conditions at Donora, all that is needed is a heavy concentration of industrial fumes, and a meteorological phenomenon known as an anti-cyclone—an oppressive layer of stagnant air.

Weather bureau experts figure that the killer mass crossed the Canadian border into Montana on October 22, 1948, and drifted slowly eastward, hovering finally in eastern Ohio. Meanwhile a "warm" anti-cyclone had formed in Louisiana and was moving north. The two came into conjunction—the warmer over top the colder mass—about October 28, creating a tremendous calm. Without a breath of air, the smog from Donora's industrial chimneys—hundreds of thousands of pounds of minute particles—hung in absolute suspension.

The report lists two positive steps for preventing a recurrence of the tragedy:

Keeping a close watch on weather conditions.

Closing down industrial plants when these conditions seem remotely close to developing into an anti-cyclone.

### DR. NOURSE BOWS OUT

Dr. Edwin G. Nourse, who has put in a three-year hitch as chairman of the President's Council of Economic Advisors, tried to get out of harness a year ago. The other day he served notice that he would quit on November 1, acceptance or no acceptance. The President has accepted.

Dr. Nourse's theories generally have been just the opposite of what the President wanted to hear. Mr. Truman wanted to slap on government controls to avoid inflation. Dr. Nourse dredged up statistics to show that business was leveling off. Proposals for government spending have always led Dr. Nourse to predict inflation.

The chief economist has also believed his duties, and those of the CEA, to be what the name implies—advisory only. He disliked seeing the opinions of the board used as political clubs. This type of idealism went over with Mr. Truman like a lead balloon.

The loss of Dr. Nourse will be felt most by the small group in the federal government who still believe that budget balancing is next in importance to cleanliness and godliness.

## ECHOES OF THE PAST

**TULLYTOWN**—Without any large factory to bring money into the town and employ its labor, with the greater portion of its population dependent upon the uncertain day labor from the surrounding farms for a livelihood, it is remarkable how many residents of Tullytown own their own homes.

William E. Doron has placed a contract for automatic hoisting machinery at his coal yard. The appliances consist of self-acting buckets and cars. It is proposed to unload 300 tons of coal in ten hours.

Frank F. Chambers will open an oyster saloon at his present place of business, next to William E. Doron's on Radcliffe street, the first of next month.

Three of the Bath street stores have agreed to inaugurate an early closing movement. Beginning the first of October the stores of J. F. Wear, Mrs. M. E. Worthington and Mary Smith will close at seven p. m.

At the regular annual meeting of the high school alumni held Thursday evening last, the following officers were elected: President, Miss Emma Maurer; vice-president, Miss Mary Thompson; secretary and treasurer, James H. Brooks.

Edward Bendere, who for a number of years has been with Thomas L. Leedom & Co., as superintendent of the rug department, has resigned his position and on October 1st will enter into partnership with John W. Scott, of Philadelphia, in the dairy supply business.

John Allen on last Saturday won the Bristol Gun Club's gold medal, which distinguished him as the club's champion shot. In order to gain possession, three matches had to be won. Warner Allen won the first match; Jesse McLaughlin the second; and John Allen the next three. At each match 20 clay pigeons were shot at known angles.

White cranes, which visited this

The funeral services for the late Jonathan S. Wright, held last Saturday afternoon, were largely attended. The ceremony was conducted by Rev. J. T. Garland, rector of St. Paul's Mission, and Rev. W. B. Morrow, of St. James.

Three very rapid automobiles in a string flew through the borough on Monday evening. The sight of the passing auto has become so common in Bristol as to fail to excite much interest.

Dr. J. A. Hawke, medical director in the U. S. Navy, made a short visit to Mr. and Mrs. John C. Stuckert, bidding farewell to family and friends, previous to entering upon the duties of his appointment at Mare Island, Dr. Hawke and family leave for California about October 1.

Mrs. E. W. Munster and Mrs. George L. Horn were appointed by the directors as judges of the exhibits of pies, jellies, cakes and bread at the Trenton fair.

Warrington Lodge, 447, I. O. O. F., has fallen heir to a very handsome legacy, the bequest of the late John M. Gray, of Forest Grove, Mr. Gray's will has just been admitted to probate by Register John T. Fish, of Doylestown. It provides for a bequest of \$5,000 to the lodge, to be used at the discretion of the members, who may employ the principal to erect a new building if they see fit.

By assignment of Archbishop Ryan of this diocese Rev. John J. McAnany will leave St. Ann's Church, Port Richmond, Philadelphia, and assume charge of the new pastorate at Morrisville, and where he will erect a church.

now compose the American Liberal party. They left the ALP proclaiming that it was Communist-controlled. Since the departure of the "bleeding hearts," the ALP has been completely Communist. There is no longer a minority. It is the instrument of the Communist leaders and its official head is Congressman Vito Marcantonio, whose Communist affiliations are not questioned. It polls approximately 500,000 votes in the State. In 1941, when it supported Roosevelt, the official figures were 496,465, and in 1944—an off-year, when it supported Mr. Lehman in his first effort to become senator—435,845. The interesting thing is its disciplined voting activity. It votes as solidly when the ALP has no candidates of its own as when it has. It votes the way the leaders direct, and strictly on the party line.

THIS year it has made no nomination of its own but is supporting Mr. Lehman. So is the Daily Worker. So is every New York Communist. Violently against Governor Dewey, they are all equally violent against Mr. Dulles. To repeat, Mr. Lehman is no more Communist than Mr. Dulles and no more than the late Mr. Roosevelt who got the solid Communist vote in 1940 and 1944. Nevertheless, the ALP will deliver to Mr. Lehman on election day 500,000 Communist votes, whether he likes them or not. If elected, it certainly will not be by 500,000 majority, which means he will owe his election to Communist support, whether he likes it or not.

NOW, then, the Communists have a right to vote for Mr. Lehman even if he is anti-Communist, even if he publicly repudiates them as the late Mr. Roosevelt once did, but got their votes just the same. In view of the above undisputed facts, it would seem reasonable for the ordinary non-Communist voter to ask himself this question: Conceding that Mr. Lehman is just as anti-Communist as Mr. Dulles, why are the Communists so solidly supporting him? There is but one answer to that. The Communists are for Mr. Lehman because they believe the program he supports tends toward their avowed goal—economic chaos and the breakdown of our system. They believed that about the Roosevelt New Deal and they believed it about the Truman "Fair Deal" and "Welfare State" and their reasons for so believing are extremely sound.

PROOF of this belief is to be found in a hundred Daily Worker editorials and a hundred Communist speeches since 1933. Moreover, there is no other logical answer. That ought to mean a lot to non-Communist voters not only in New York but in the country. In New York they can't do anything about the Communists voting solidly for Lehman, but they can do a lot to prevent them swinging the election and making saps out of the electorate. In the country as a whole, if they reflect upon the facts, it might disturb the complacency of all save the most obtuse advocates of the "Welfare State" and "deficit financing."

At the morning business meeting Mrs. Pratt announced the south-eastern district conference will be held in May at Reading, and the 1950 state convention at Pittsburgh in October.

The following from the P. T. A. groups designated were named to the nominating committee, election occurring at the spring assembly: Alvin Blatchley, Wrightstown; Wynne; Mrs. Ferdinand K. Eltinger, Northampton; Mrs. Alfred

Lewis, Bristol; Mrs. Charles Schultz, Warminster; Mrs. Joseph Ward, East Bristol township.

The afternoon session opened with special music by Buckingham school girls glee club, Miss Helen Chew directing, David West, "Peggy" Hellyer, Pauline Salevsky, "Beth" Crawford, and Kenneth Fell were soloists.

A demonstration of discussion group technique by members of Bucks Co. Council followed. An unrehearsed short play and an impromptu demonstration of a Foundation's day committee meeting illustrated the value of dramatization and role playing as tools of discussion groups.

Mrs. Ferdinand Reber, of Glenside, state music chairman, spoke on the importance of music in local units. "Music is as necessary to personal culture and spiritual development as clothing and food are to personal comfort," she reminded. Mrs. Reber urged greater use of music in home life, in school life and in the community.

Lunch was served by members of Northampton P. T. A., with Mrs. William Booth in charge. The registrar reported \$1 in attendance, representing 14 local units. The spring assembly will be held at Doylestown, the fourth Saturday in April.

proached the tracks. Richard Zlot, who was duck hunting, and a track foreman, Mr. Tomasetti, saw him start up onto the tracks. The engineer of the train informed authorities that he first saw the victim when the latter was several feet in front of the train. Thirty-eight of the cars passed over him.

### The Baby's Feeding Schedule

By GARRY CLEVELAND MYERS, Ph.D.

A SOMEWHAT novel way of feeding infants has developed. According to it the child is fed as often as he seems to be hungry, even at the hospital when left in the room there with his mother.

The assumption is that within a few weeks the baby will naturally choose his own feeding periods adapted to his physical needs.

### Has Merit

For the first few weeks the method has considerable merit, for some babies and their mothers. The mother does not need to let the baby cry. She can have peace of mind, even though she may not have peaceful sleep or much time she can call her own, and the rest of the family may not.

There seems to be some good possibilities if after a few weeks the mother works closely with the pediatrician at discovering what the infant's most favorable period without food is and thereafter holds the infant to the derived schedule; and moreover revises this schedule at later intervals.

### May Be Delayed

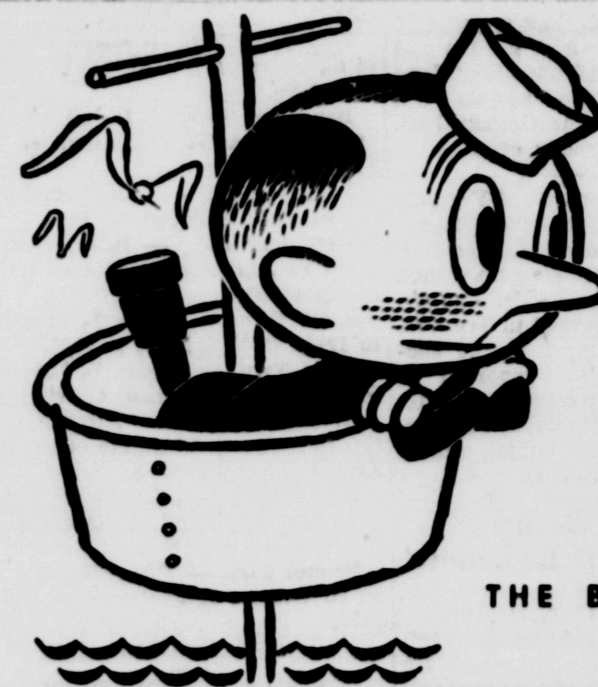

But as the self-demand method is interpreted and carried out by some over-optimistic mothers even with the aid of a pediatrician, the time of setting any schedule at all may be delayed several months, even a year or more. As a result, some children turn their night into day and neither acquire good habits of sleep or let their parents have the needed rest. It's very easy for a

parent following the self-demand method to encourage the baby in all sorts of whims by day or night and to cultivate general tyranny in him then and for the rest of his childhood, if not the rest of his life.

Some mothers who say they had a schedule for an older child or children from the day of birth, exult over the superiority of the self-demand method with the present baby. But as they describe their experiences with the older children, these mothers nearly always reveal unawares that they didn't really hold the other children to a schedule but cheated on it. They tell how they often could not stand it and would take the child up and feed him before the schedule time.

Neither by the clock nor by their emotions did they follow a schedule. They really practiced the self-demand method when they pretended to follow a schedule, though they tortured themselves and the baby constantly. Any mother who is going to be so distraught by a schedule and is always going to let the youngster have his way after he has fought long and hard, should let him have his way immediately and without qualms of conscience.

For such a mother and her child the self-demand method is a godsend. But there are a good many mothers who can hold to a schedule and not let themselves be upset with a bit of crying a few nights. These mothers can easily train the infant to a schedule in a short while, whether the schedule was arrived at after a few weeks of experimenting or arbitrarily set.

## ST. ANN'S BREAKS WINNING STREAK; LOSES TO TACONY

PHILADELPHIA, Oct. 24—The St. Ann's A. A. winning streak of four straight games was shattered yesterday afternoon as the Tacony Boys' Club defeated the Bristol team, 13-8, in a hard-fought North-east Conference game on the Di-ston field, State Road and Unruh St.

The largest crowd of the season, estimated at 3,000 saw the Tacony team come through with a fine running and aerial attack in the second half as well as a strengthened defense to subdue the Purple and Gold and move into a deadlock for the league leadership.

The first half playing was fairly well evened with Tacony taking a 7-0 lead early in the second quarter and the "Saints" coming back with a safety for two points. When the half ended, the Bristol team had the ball on Tacony's two-yard line.

However, in the second half, the Boys' Club used a diversified attack which threw St. Ann's completely out of balance. Under the quarter-backing of Len Monaco, Tacony was at its best. St. Ann's scored early in the period to take an 8-7 lead but towards the close of the quarter, Tacony hit pay dirt to take the lead which it never relinquished.

During the entire second half playing, St. Ann's made but one first down to give it six for the afternoon. The winners registered 11 first downs, five in the first half and six in the second half.

The lone St. Ann's touchdown was made just after the kickoff of the second half opening. Keys had booted over the goal-line to put the ball in play on the 20. A pass, Monaco to William Fleming, was good for a first down on the 32. On the next play, Leo Fiorelli intercepted an aerial on the Tacony 35. Two line plays amassed but three yards, so John Antoni threw a pass to "Bill" Marion who caught the ball on the 15 and went the remaining distance for the touchdown. Profy's kick for the extra point hit the goalpost upright but fell on the inside of the playing field.

From the outset, it appeared as if both teams' offensive attack would be in high gear. After Marion took the kickoff to the 26, the "Saints" made two consecutive first downs to carry the ball to their 49 before the attack was halted. Tacony made two successive first downs before losing the ball. But St. Ann's was forced to kick and an exchange of punts followed.

At the start of the second quarter, Collins kicked to the Tacony 41 from where the homeboys started a drive which ended with a touchdown. Monaco passed to Ray Clarke

who lateraled to Fred Benincasa for a first down on the St. Ann's 40. Monaco rifled a pass to Mike Cataline for a first on the 30. Benincasa hit the line for three and Frank Katriza's plunge netted six. Clarke made it a first down on the 19 with a line smash. Clarke was stopped by Lomma on a reverse but Benincasa got eight at center. Monaco then tossed a 11-yard touchdown pass to Cataline. "Mike" DiSalvio kicked the extra point, making the score 7-0.

St. Ann's came back strong. Fiorelli took the kickoff from the 10 to the 35. On the first play, Marion got off on an end run and made 35 yards before being dropped on the Tacony 30. After Marion clicked off five more, St. Ann's went into the air but Katriza intercepted on the two-yard line. In attempting to run the ball from formation, DiSalvio was hit by three St. Ann's players beyond the goal-line for a safety. The score was then 7-2.

DiSalvio's kick from the 20 went to Leinski on the Tacony 35. Napoli got six yards at tackle and Antoni made it a first on the 25. Antoni on a fake picked up nine yards with Joe Napoli making it a first on the 10. Time was running out as Marion hit center for a yard. A pass was incomplete and a fumble later a yard. On the final play of the half, Marion threw a pass to Antoni who lugged the ball to the 2-yard line before being stopped.

Trailing 8-7, Tacony's final successful bid came later in third period. Collins' kick went out of bounds on the Tacony 43. Suevo made nine yards at tackle and Katriza's end run made a first. Suevo got two more on a reverse. Expecting another line play, the St. Ann's defense was drawn in but Monaco tossed a pass to Benincasa for a first down on the St. Ann's 30. DiSalvio netted 7 on an end play and followed with another that made it first down on the St. Ann's 19. Clarke was nailed before he could get started. A pass was grounded. Monaco went back to throw another pass. He was trapped but got the pass off. The receiver, Fleming had a St. Ann's player in back of him and one in front. He leaped high between them and snatched the ball out of the air for the winning touchdown. DeSalvio failed in his extra point conversion.

Next Sunday, St. Ann's plays Ditman A. C. on Memorial Park field. Line-ups: Tacony (13) Ends: Scalzo, Fleming, Cataline, A. Fiorelli. Tackles: Jurkiewicz, Simpson, Dobrowski, C. Benincasa, Miller. Guards: Cheole, Beatrice, Nero, Scornalench. Centers: Pizzo, Dalcandro, DiAngelo. Backs: Monaco, Katriza, Clarke, DeMasi, DiSandro, Anterola, DiSalvio, Suevo. St. Ann's (8) Ends: Keys, Leinski, Coyne, Man-giacina, Denny. Tackles: Wade, A. Iannucci, Sozio, W. Keys, Kovacs, Sak. Guards: Monachello, Profy, Calone. Centers: Lomma, Mount, M. Iannucci.

Backs: Antoni, L. Fiorelli, Cuccel, Marion, J. Fiorelli, Myernich, Collins, Napoli. Tackles: Touchdowns, Fleming, Cataline. Point after touchdown, DiSalvio. St. Ann's scoring: Touchdown, Marion; safety, DiSalvio (tackled over goal-line). Officials: Referee, McGuckin; umpire, Weiser; head linesman, Zehner.

## LANGHORNE WINS OVER COUNCIL ROCK

NEWTOWN, Oct. 24—In a Lower Bucks County League game here Saturday, Langhorne broke into the win column with a 38-7 verdict over Council Rock. It was the third straight victory for Coach "Jim" Egli's team.

Herb Kaupp pitched three touchdown passes for the Redskins. One went to Lawrence for 70 yards, another to Key Dorsey for 26 yards and the third to John Romberger for 23 yards.

Ray Mongillo accounted for two Langhorne touchdowns on runs of eight and 34 yards while Lawrence hit center from the four for the other six-pointers.

Council Rock scored from the one-yard line in the final period. Hauler crossing the goal-line.

## LANGHORNE ACES WIN SECOND GAME

PENNDLE, Oct. 24—The Langhorne Aces won their second game of the Northeast Football Conference with a 6-0 victory over Cheltenham A. C. yesterday, on the Pennel Memorial field.

"Lou" Spadacino scored the Aces' winning six-pointer in the final quarter, going over from the two. Earlier in the game, Langhorne had scored but the officials claimed the runner stepped out of bounds. Cheltenham then held for downs.

Langhorne's record in the Northeast Conference is two wins and three defeats.

## Christine Johnson Weds At Tullytown

Continued From Page One

The little flower girl, Marilyn Easter Smith, niece of the bride, wore a long gown of white satin, made colonial style. The tight bodice had a lace collar, and the full skirt was gathered up with sprigs of flowers to show a lace petticoat. Her head-dress was a band of white satin with rosettes, and she carried a basket of mixed baby's breath.

The bride was attired in a gown of white slipper satin made with a tight bodice. It had a yoke of white lace and a scalloped bodice. The long tight fitted sleeves came to points over the hands. The skirt, made with a long train, was scalloped down the front, revealing a lace panel, and she wore satin slippers. Her veil of applied nylon fell from a crown of seed pearls. She carried an arm bouquet of white chrysanthemums.

Mr. Rentschler, son of the late Mr. and Mrs. Frederick Rentschler, chose for his best man Mr. Rex Odey, Detroit, Mich. The ushers were Mr. Albert King, Ithaca, N. Y., and Mr. Richard Smith, Dalton, Mass.

Following the ceremony a reception for 75 was held at Landwehrs, Scuders Falls, N. J.

For a honeymoon trip to New York, N. Y., Mrs. Rentschler chose a suit of teal blue with a beige coat and brown accessories. Her corsage was a lavender orchid. Mr. and Mrs. Rentschler will reside at Robinsonville, N. J.

Mrs. Johnson, the bride's mother, wore a gown of teal blue French lace with black accessories and a white orchid corsage.

The former Miss Johnson is a graduate of Falls township high school and Abington Memorial Hospital School of Nursing. Mr. Rentschler, who is attending Rider College, Trenton, N. J., is a graduate of Irvington high school. He served three years in the U. S. Navy in the Pacific Theatre of Operations.

## "Teddy" Stake Marks His 5th Natal Anniversary

Game prizes were won by John Dick and Kathleen Brown. Others invited were: Gail Ainsworth, Richard Keen, Sharon Taylor, "Kenny" Walterick, Susan Dick, Carole Simmons, Jane and Frances Lavaty, Master Dreyer, "Jimmy" Rodgers, Mrs. Frank Kerr, Mrs. J. Ainsworth, Mrs. F. Dreyer.

Games were followed by refreshments.

## SUNDAY DINNER Suggestions

HOUSEWIVES, though always anxious to try something new, too often avoid a certain meal because, being unfamiliar with the principal ingredients, they fear failure. Actually, even a comparative novice can prepare practically any given food if she will only take care to prepare it according to competent directions.

Braised sweetbreads, a real delicacy and extremely healthy, is one such dish. Considered by many as one of the greatest of all meat delicacies, they may be prepared easily and swiftly by following recommendations of the A & P Service for Homemakers.

Made up of the soft, milky thymus gland of the young calf or lamb, sweetbreads normally are of a clear appearance and are a little darker than the fat from the same carcass. In preparing them, first soak four pairs in cold water for about 20 minutes.

Blanch them by immersing them in boiling water for from 15 to 20 minutes. Next dip them again into cold water long enough to chill, then wipe extra moisture free with a bit of cheese cloth.

Cut the sweetbreads carefully in half and brown carefully in a hot pan to which has been added two tablespoons of butter, salt and pepper and a little grated onion. When browned, serve with toast, and a little gravy or cream sauce.

Preceded by an appetizing dressing salad with Russian dressing, and concluded with an appropriate dessert, this meal will provide a welcome respite to family appetites paled by too little variety in meals. Vegetables can be combined with the main course at will, since they blend easily with virtually any vegetable.

## Gives Steps For Fall Dish Of Franks-Spaghetti

Plump, juicy frankfurters need no introduction. But now they're joined with spaghetti for a quick and delicious main dish.

Reba Stagers, home economist, gives the following steps for preparing this tempting fall special. First, frankfurters are sliced into bite-sized pieces and lightly brown-

ed with diced onion in a small amount of hot lard or meat drippings. Salt and pepper are added, plus a touch of all-spice and cloves for unusual flavor combining.

Next, tomato juice—1½ cups—is poured over the mixture. Three cups of cooked spaghetti are added, the heat is lowered and the combination allowed to simmer until thickened.

For a clever lunch or dinner serving, the frank-spaghetti is placed on a warm platter outlined with whole browned frankfurters.

## ST. FRANCIS PROVES STRONGER IN GAME THAN EXPECTED

A scrappy St. Francis Vocational School team proved stronger than expected Saturday night as it bowed to the Bristol High gridsters, 21-6, under the lights on the home field before the smallest crowd of the season.

The favored Warriors did not bowl over the Eddington youngsters as pre-season records would indicate. The Bristol boys scored the first time they received possession of the ball on an 80-yard drive and then registered again early in the second session. But from then, the Blue and Gold eleven put up a stiff battle, scoring itself in the second period, and holding Bristol until late in the final session when the McClistermen scored again with the aid of a penalty.

When it scored in the second quarter, St. Francis crossed the goal-line for the first time this season in five games. Bristol has scored against every opponent this season, being the only Lower Bucks team to hold this record since Southampton was shut out by Bensalem, Saturday.

Eleven first downs went to Bristol's side of the ledger, while the boys of Brother Edwin Anthony made three first downs. "Al" Daniel was the chief ground-gainer for the Warriors. The diminutive Bristol quarterback carried the ball 12 times during the contest and gained 97 yards. He lost six yards and was stopped once without a gain. "Whitey" Welker also chalked up some nice yardage.

Outstanding for the St. Francis team was Dave Potter, who excelled on the offense, and Vincent Goodchild, who broke up many of the Warriors' plays. Most of the time, St. Francis was using a seven-man line to break up the Bristol ground plays, forcing it to go into the air. The Bristol aerial attack was grounded with very few hitting their mark.

Potter was injured in the last quarter and removed to the Nazareth Hospital, Philadelphia, in the ambulance of the Bucks County Rescue Squad. He suffered a possible head injury and possible fracture of the shoulder. Joe Dominick, Bristol end, also sustained an injury and did not play the second half.

Harry Eisenbrey, Frank Rich, and Daniel scored the Bristol touchdowns with Alex Monte adding the extra points with placement kicks after the touchdowns. Nick Rivera counted the St. Francis touchdown on the last play of the second half after receiving a pass from Ed Moore.

It took an 80-yard sustained march to give the Warriors their initial six-pointer. Potter kicked off beyond the end zone and the ball was put in play on the 20. Welker kicked center for 2 yards and Eisenbrey knocked off 18 for a first on the 40. Daniel went through center for 9 yards and Petrizzi failed on his attempt at a first. Welker drove through the line for a first down on the visitors' 46. A long pass went over Rich's head. Eisenbrey faked a pass and skirted right end for 12 yards and a first on the St. Francis 34. A double-reverse was stopped by Goodchild for a 2-yard loss with Daniel carrying the ball. Eisenbrey made 10 yards and then lost one. On fourth down, Welker made 22 yards for a first on the 15. Jackson stopped Daniel without a gain. Bristol was penalized five yards. Welker made 9 yards to bring the ball to the 11-yard line. Eisenbrey carried the ball along the side-line to cross the goal-line.

The ground plays consumed most of the time of the quarter but before it ended, Bristol was on its

way to the second score. It got as far as the St. Francis 20 before losing the ball on downs. A 15-yard holding penalty set the invaders back to the five. From here, Potter kicked to Eisenbrey on the 30. He carried it back to the 20 as the quarter ended.

The Warriors scored on two plays at the start of the second canto. Eisenbrey picked up four at end and after a 5-yard penalty, Eisenbrey tossed a 21-yard pass to Frank Rich for a touchdown.

St. Francis started a drive late in the quarter but this ended when Schoenwolf fumbled and Milnor recovered for Bristol on the St. Francis 32. St. Francis held for downs so Rich kicked to the 35 where Leo Breslin grabbed the pigskin and ran to the Bristol 46 before being spilled by Daniel.

The run-back inspired the Blue and Gold for they went on to score its touchdown. Breslin passed to Potter for a first down on Bristol's 31. Breslin lost a yard at end but Ed Moore whipped an aerial to Breslin who caught it on the local team's 9. Two passes were batted down and then White and Dominick broke through to toss Moore for a six-yard loss. Bristol drew a 5-yard offside penalty, putting the ball on its 10-yard line. With only one down and one play remaining, Moore threw a pass to Nick Rivera who caught it over the final white stripe for a touchdown, making the score 14-6 at half-time.

St. Francis took the ball from its 30 to Bristol's 40 at the start of the third period but a 15-yard penalty put it back to their 37-yard line where it was forced to kick. The boot went out of bounds on Bristol's 31. The Warriors made three consecutive first downs before being stopped on the St. Francis 26. When it seemed as if the visitors were again going strong, Ned Albright stepped into the picture to intercept a pass on the Bristol 16.

To start the final quarter, Daniel ripped the center of the line for a 20-yard gain. After Welker made 9, Bristol was penalized, putting them back 15 yards, forcing a kick. Rich intercepted a pass shortly after and Bristol then took over on the St. Francis 48. The Warriors started their final touchdown drive from this point.

Welker hit the line without a gain. Daniel made three at right end. Welker, on a reverse from Daniel, skirted the left side for a first on the visitors' 38. Daniel plunged through center and got as far as the 25 before being stopped. Eisenbrey was stopped but Daniel again went through center for a first on the 11. Eisenbrey hit tackle for 7 yards and Daniels was stopped. Eisenbrey hit a stone wall on a line play and lost a yard. Time was running out as Eisenbrey attempted a pass which Breslin batted down. But on the play there was a 15-yard penalty called on St. Francis, placing the ball on the 1-yard line from where Daniel went over. On the first attempt at conversion, Bristol failed but a penalty gave them a second try. This time Monte place-kicked the point.

After the kickoff, which went to Breslin, the game was over. Next Saturday night, Bristol plays Langhorne in a league game under the lights at Langhorne.

## BENSALEM LEAPS INTO UNDISPUTED LEAD OF LEAGUE

**SOUTHAMPTON, Oct. 24**—Bensalem Township leaped into undisputed possession of first place in the Lower Bucks County League, Saturday afternoon, with a 17-0 victory over Southampton High. It was the second straight league triumph for the Cornwells Heights boys.

"Eddie" Oliver was the outstanding star in the Owls' triumph. The chunky Bensalem quarterback did excellent work in hitting his targets on passes, got off some nice punts which put Southampton in the hole most of the afternoon, drop-kicked a field goal from the 19-yard line, drop-kicked two extra points, hit the line for a touchdown, passed to another touchdown, and also made some nice gains through the line.

Coach Marlon VanHorn used Oliver on the offense mostly so the backfield star did not have many chances to do some tackling. Oliver threw 29 passes in the tilt and clicked on thirteen of these. Two were intercepted and five grounded. Bensalem made its first score before the fans were seated comfortably. Oliver kicked off to Cresce on the 3-yard line. Two plays failed to gain so Harold Peak booted to Truehart on the Southampton 25. Al Bader did not gain on two plays but on the third, Oliver whipped a pass to Jack Ward for five yards. On fourth down, Oliver again found Ward as his target and completed a pass on the five-yard line. Brady took the ball to within six inches of the goal line but Bader was nailed in his tracks. On a quarterback sneak, Oliver slipped over for the touchdown and then added the extra point via a drop-kick.

The Greyhounds came back strong after the touchdown and appeared to be threatening as Brigham ran back the kickoff to his 28. Cresce was stopped but Bob Peak hit the right side of the line for 16 yards and a first down on Bensalem's 56. Lampico and Peak made six yards on two line bucks. On third down, H. Peak rifled a short pass to Bob Stoekle for a first down on the Owls' 30. But here, the maneuvers stopped and

## BULLDOGS DEFEAT PENNSBURY 19 TO 6

**MORRISVILLE, Oct. 24**—Bob Feivel scored a pair of touchdowns and "Johnny" Marcucci scored one Saturday night as the Morrisville Bulldogs posted their first win of Lower Bucks competition, defeating Pennsbury, 19-6.

Feivel went 11 yards in the second quarter for the first TD and then scored from the 14 for his second tally. A 13-yard dash enabled Marcucci to make his score in the last quarter.

Saunders made the Pennsbury touchdown in the last quarter on a pass. When the St. Francis Vocational School eleven lost to Bristol Saturday night it was their second loss in two days, as the Eddington youths had dropped a 19-0 verdict to Bordentown High on Friday afternoon.

An error in the St. Francis schedule caused the confusion as the Eddington school booked the games and discovered its error too late to do any changing. Bordentown scored its first touchdown on a blocked kick which Parker picked up on the 15 and went for the score. Its second TD was made by Steel who went 20 yards on a reverse. Hunter added the extra point. The final touchdown was made on a handoff, Fluer to Greenburg, which also was good for 20 yards.

When the St. Francis Vocational School eleven lost to Bristol Saturday night it was their second loss in two days, as the Eddington youths had dropped a 19-0 verdict to Bordentown High on Friday afternoon.

An error in the St. Francis schedule caused the confusion as the Eddington school booked the games and discovered its error too late to do any changing.

Bordentown scored its first touchdown on a blocked kick which Parker picked up on the 15 and went for the score. Its second TD was made by Steel who went 20 yards on a reverse. Hunter added the extra point. The final touchdown was made on a handoff, Fluer to Greenburg, which also was good for 20 yards.
